

LOGGING IN

Introduction

This section of the document will show how an authorized user can login to the QUEST system and navigate around QUEST. In order to be able to login to QUEST using the instructions here, you must register yourself as a Third Party Administrator. TPA Registration on the new QUEST system is mandatory for all existing and new TPA(s).

Step-by-Step Instructions:

FIRST TIME LOGIN:

The step by step instructions below should be used if you are logging in for the first time after completing the initial registration. Please refer to the set of instructions - 'LOGGIN IN', for a normal login process.

1. Go to the DUA – QUEST webpage at www.mass.gov/uima
2. Click on the link for Agent Login.
3. The following page will appear. Enter the user ID and password you received at the end of your account registration process. This information can also be retrieved from the correspondence received by US Mail, confirming your registration. Click on the link ' Login'

NAVIGATION:

The following is a list of navigation tips:

1. The first page that appears after the user logs in to the system is known as the home page (screenshot below). The user can access the various functions available to him/her by clicking on the respective links. For example, If the user needs to access the Account Maintenance functions, the user will click on 'Account Maintenance' and so on. On this home page, the user will see only the functions limited to his/her security role, as enabled by the system administrator.

2. **Left Hand Side Navigation bar:** The first page that appears after the user logs in to the system is known as the home page. The left hand side navigation bar is displayed throughout the time you are logged into QUEST. This bar always lists the options available to you in the staff splash page and a drill down list of options available under the current function.
3. **Helpful hints:** Throughout the QUEST system web pages, you will find clickable links followed by a question mark. Clicking on the link will open up a new page, with additional information/definition of the phrase. For example: [Payment hierarchy?](#)
